Winemakers Dinner
Featuring Raphael,
Long Island's premier wine estate
Tuesday, June 8, 2010, 6:30-9:30pm
The Woodlands
1 South Woods Road,
Woodbury, New York*

Since 1996, the Petrocelli Family has strived to produce Long Island's greatest wines, incorporating both New World advances and Old World traditions. They are located on the North Fork of Long Island where the gentle maritime influence of the surrounding water provides a moderate climate allowing their grapes to fully ripen, achieving perfect balance, aroma, and flavor. Using sustainable vineyard practices, hand harvesting, spontaneous fermentation and a natural winemaking philosophy, that reflect a pure expression of the unique climate and soil of the North Fork.
